A SOCIAL RESPONSIBILITY INITIATIVE FOR YOUR COMPANY

ACP gives you the opportunity to live a special experience with your employees. Join the "Gift Box Action" project to combine good deeds and team building.

The event takes place in ACP's headquarter in Turin. The centrepiece of the day is the completion of gift boxes to send to needy families all around Italy. The activity is coordinated by our volunteers and partners. The event ends with a dinner, to share some joyful moments.

ACP, supported by international partners, gives you the opportunity to join the distribution of the gifts in Italy or Eastern Europe.

Joining this initiative, you will contribute to the cost of the content of the parcels and the dinner. The cost is actually a donation to ACP, so it's tax-deductible.

ACP can organise the packing activity in your workplace on request.
